Ruling #96

Trainer JORGE GUTIERREZ is fined THREE HUNDRED DOLLARS (\$300.00)* pursuant to California Horse Racing Board rule #1629 (Penalty for Late Declaration), for improperly medicating his horse, necessitating the late declaration of WARREN'S ALOHAMOON from the eighth race on July 04, 2007.

This ruling was issued after an informal hearing with the trainer regarding the late declaration of his horse Warren's Alohamoon from the eighth race on July 4, 2007. Furthermore, subject must sign a testing agreement with the California Horse Racing Board, must comply with guidelines set forth by the Winners' Foundation, and subject's license will be considered probationary until June 31, 2008.

This ruling was issued in response to a security citation filed against Salazar for marijuana usage. Additionally, Salazar was taken to a detox facility by Winners Foundation representatives due to heavy alcohol consumption. He completed a ten day program and is being released today. Salazar has signed a testing agreement with the Board and must remain in compliance with Winners Foundation guidelines.

The refund from the scratch amounted to \$25,272.81

7-14-07²**RULING****Ruling#100**

Trainer Paul Aguirre is fined THREE HUNDRED DOLLARS (\$300.00)* pursuant to California Horse Racing Board rule #1629 (Penalty for Late Declaration), for improperly medicating his horse, necessitating the late declaration of Our Partner from the first race on July 14, 2007.

This ruling was issued after the trainer accepted responsibility for his horse being treated with acepromazine after it was entered. Aguirre said his stable help took the horse to the track and it became very difficult to manage. The exercise rider, not knowing the horse had been entered, gave it a small amount of "ace" in order to make it more manageable.

7-14-07³**SHOEING PROBLEMS**

Sprung racing plates caused two delays during the card this afternoon. There was an eight minute delay in post time for the first race as #4 Hidden Point, trained by Doug O'Neill, came to the paddock with a sprung left front shoe. The paddock plater, Fernando Alvarez, Jr. made the repair and the race went off without further incident.

The second delay took place in the sixth race when it was discovered that #16 Almost A Ten had stepped on itself and caused a right hind shoe to loosen. Alvarez also made the repair and kept the delay to a minimum. Almost A Ten made the most of the tightened plate as she motored home an easy winner.

7-14-07⁴**MINUS POOLS**

Two minus pools occurred during the Saturday card, the first being in the opening event when #2 Justin place, odds on at 2/5, proved a facile winner. The negative pool totaled \$5,598.85. The second minus pool took place in the fifth race as #6 I'm All Out, heavily favored at 3/5, humbled his field. The amount needed to balance came to \$45,420.79.

7-14-07⁵

REFUND

A Refund was ordered in the fourth race as #5 Famaraptor became fractious during the warm up period and injured the rider, Freddy Fong. Rather than sending the horse back for a replacement rider and compromising the field, the Stewards opted to declare the horse. The resulting refund totaled \$47,761.83.

7-14-07⁶

JOCKEY OBJECTION - NO CHANGE

The objection sign was posted after the sixth race as Agapito Delgadillo (12th, #4 Bellsblade) lodged a claim of foul against David Cohen (1st, #16 Almost A Ten) for interference in the far turn. Delgadillo alleged that the winner came in, forcing the horse to his immediate outside (#6, Soda Pop Syd) to alter to the inside, causing him to check sharply while on the fence.

After speaking with the riders involved, taking into account reports from the Patrol Judges and reviewing tapes of the incident, the Stewards unanimously voted to make no change in the placings. While it was obvious that Delgadillo checked, tapes did not shed light on which horse was responsible for the incident. Soda Pop Syd finished last.

RULING

Ruling#101

Trainer CODY AUTREY is fined three hundred dollars (\$300.00) for violation of California Horse Racing Board Rule #1845(a) (Authorized Blood Medication) at Hollywood Park on July 13, 2007.

This ruling was issued after Autrey accepted responsibility for failing to properly register his horse Pro Prado as a bleeder.

7-15-07³

RULING

Ruling #102

Trainer Robert B. Hess, Jr., is fined THREE HUNDRED DOLLARS (\$300.00)* pursuant to California Horse Racing Board rule #1629 (Penalty for Late Declaration), for failure to medicate his horse, necessitating the late declaration of Gotham Devil from the fourth race on July 15, 2007.

This ruling was issued after a telephonic hearing with the trainer into his failure to medicate his horse prior to the animal being declared. Hess had submitted a scratch request, noting that the horse was "sick". Official Veterinarian Gary Beck examined the horse this morning and could not authorize a scratch for the reason noted on the card. Hess said the horse had been listless for the past two days; Dr. Beck countered that during the examination the horse was quite aggressive.

7-15-07⁴

CLOSING CARD

Management at Hollywood has opted to run an eleven race card on closing day, starting at the nine-race post time of 1:20 P.M. This has evinced concern from a number of factions, given that after morning scratches there are a total of only seventy three horses on the program. Only two Superfectas are able to be offered, due to the paucity of horses.

General Manager Eual Wyatt, Jr. explained that ten races had been carded in the condition book for closing day and that a race which was originally scheduled for the prior Sunday was brought back and went as an extra with a five horse field.

7-15-07⁵

REFUND

A refund was ordered in the sixth race as jockey Jose Alferez did not show to ride #7 Doctor Smartz and no replacement could be found. The scratch resulted in a refund of \$8,199.60.

7-15-07⁶

REFUND

A refund was ordered in the tenth race as #2 Holly's Gold was off in the right foreleg during warm up, while #3 Five Star Cat was off in the left fore. Racing Veterinarian Jill Bailey recommended the scratches, with the resulting refund amounting to \$93,609.70.
